PLAINFIELD EXPECTS TO
TRIM TAFTVILLE

The Plainfield soccer team meets its rival from Taftville, this (Saturday) afternoon, in the Eastern Connecticut league. Plainfield expects to reverse last Saturday's results. The committee will make their selections from the following players: McCullough, Walker (capt.), Palmer, Connors, Dickey, Alexander, Boyle, Vincent, Booth, Potts, Connelly, Seddon, Judson, Alford, Brennan and Ward. The kick-off is at 3 o'clock. This game should furnish good sport for the spectators as both teams play a good, clean, skillful game.

Johnny Dubuc has perfected a good curve, something he formerly lacked, and hopes to make a better record this season. Dubuc formerly relied on great speed and a slow ball, said to be the best in the major leagues.

BUCKLEY WILL PLAY ACADEMY

Game Scheduled for Today on Local Campus—All Stars Badly Defeated in Practice Game—Academy Do Some Hard Hitting—All Stars' Infield Like a Sieve.

The N. F. A. team completely routed the All Stars' recruits in a practice game Friday afternoon on the campus. The hitting of both teams was terrific, but the Academy boys came out on top.

Errors were as plentiful as ties on a railroad track in this department of the game the recruits of the All Stars had the better by far.

In the pitching staff, Manager Hughes was forced to use three pitchers including himself. He took the mound in the last inning and the Academy boys knocked the sphere in all directions securing seven runs and six hits, some of the hits were for extra bases.

Murray was field captain owing to the absence of Captain Stanley and led the team in batting. The final score was 20 to 15.

Manager Leary has secured for today's game a team from Buckley high and the people of this city do not need the reminder of telling what kind of a team that the Whaling town sends. This game is sure to be a very interesting one and the Academy are confident of victory.

Buckley's lineup is uncertain, but they are sure to make the locals go their hardest pace.

NO GIANTS WILL JUMP

McGraw and Foster Discredit Story Told by Gilmore of Federals.

"It isn't so," declared Manager McGraw of the Giants when asked if the reports were true that three of his players had told President Gilmore of the Federal league, while the latter was in Baltimore, that they would jump to the Federals if he made them a satisfactory offer.

When a story from Chicago naming Catcher McLean, Third Basemen, Sullivan and Outfielder Murray as the three would-be jumpers was shown to McGraw he replied: "These men can't jump. Gilmore is talking through his hat and is making windy statements for advertising purposes."

John B. Foster, secretary of the Giants, was more eloquent. He said:

"Every member of the New York club has signed a two or three year contract, and few of the contracts expire this year. I have talked with nearly all of the players and do not think there is anything to the rumor. I don't believe there is a player on the New York club who would break his contract and further I do not believe there is a member of the club who wants to. No one has a complaint on salary that I know of and besides the salary is \$1,500 to \$3,000 extra on each season through a world's series. The kick-off is at 3 o'clock. This game should furnish good sport for the spectators as both teams play a good, clean, skillful game."

Johnny Dubuc has perfected a good curve, something he formerly lacked, and hopes to make a better record this season. Dubuc formerly relied on great speed and a slow ball, said to be the best in the major leagues.

ties, we've got to work hard to win." Manager Mack seemed somewhat disappointed at the showing of his great team up to the present time. "They are not doing as well as they should," said the manager of the world's champions, "they did not hit in the spring series, and they haven't been hitting nearly so hard as they should. They are not down to business by a long way. Everybody, including the newspapers and the other clubs, have been predicting that we will win easily, but I do not think so. I believe that we are in for the hardest fight we have ever had, and the only way we can win is to go in and play our best."

HARD WORK FOR ATHLETICS.

Mack Says They Have Got to Work Hard for Pennant.

Almost everybody thinks that the Athletics are going to have an easy time winning the American league pennant this season except Connie Mack.

The crafty Athletics manager said yesterday that he feared overconfidence on the part of the players. Mack said:

"My men have got to play ball, and some of them don't seem to realize it. If we had the pitching staff that some of the other clubs have, we might be able to take things easy, but as our young pitchers are unknown quantities, we've got to work hard to win."

FINANCIAL AND COMMERCIAL

MARKET BEARISH.

Heavy Losses Incurred by Stocks Selected for Attack.

New York, April 17.—Sharp bear drives in the stock market, and have been in progress for a week, continued throughout today's market, and about seven losses were inflicted. The tactics employed on the short side, which became increasingly aggressive today, indicated that the most determined bear campaign of months was under way. Today's attacks were centered in Missouri Pacific and Lehigh Valley. Missouri Pacific was the most active stock in the list. It was under steady pressure, and fell more than five points to 18 1/2, the lowest figure in over a decade. Lehigh Valley's loss was even greater. It was hammered down to 13 1/2, a drop of seven points.

The pronounced weakness of Lehigh Valley and responsible for much of the loss in the stock market, but these rumors were not supported by any authentic information. Missouri Pacific's weakness was said to be due in part to difficulties experienced by the company in arranging to care for its \$25,000,000 of notes maturing due June 1. The notes were offered at 85, but bids ranged several points below. Missouri Pacific, however, declined to accept the offer. President Bush gave assurance that provision for the notes would be made, but pressure on the stock did not relax.

The bond market was steady. Total sales, par value, \$2,000,000. United States bonds were unchanged on call.
